

**GOVERNMENT OF JAMAICA**  
**MINISTRY OF HOUSING, URBAN RENEWAL, ENVIRONMENT AND CLIMATE**  
**CHANGE**

**PROJECT: STRENGTHENING JAMAICA'S CAPACITY TO MEET TRANSPARENCY**  
**REQUIREMENTS UNDER THE PARIS AGREEMENT**  
(JA-T1165)

The Climate Change Division (CCD) in the Ministry of Housing, Urban Renewal, Environment and Climate Change (MHURECC) has received funding from the Global Environment Facility (GEF), through the Inter-American Development Bank (IDB), to strengthen Jamaica's transparency framework through the design and implementation of a fully functional and harmonized domestic Measuring, Reporting and Verification (MRV) system for the effective implementation of the country's Nationally Determined Contribution (NDC) and other transparency-related activities.

The CCD therefore invites **Individual Consultants** to indicate their interest in one of the following projects by submitting their curriculum vitae with cover letter, which outlines the required qualifications, relevant experience and previous work on similar projects.

1. Capacity needs and gaps assessment of institutional enabling environment for transparency related activities (Four-month duration);
2. Assessment of on-going initiatives at the regional, national, sub-national and sectoral levels to support transparency-related activities (Three-month duration); and
3. Assessment of enabled technologies for the establishment of Jamaica's Domestic MRV System (Six-month duration).

Details of the specific objectives and requirements for the consultancies may be obtained from the website of the MHURECC at [www.mhurecc.gov.jm](http://www.mhurecc.gov.jm)

Please submit applications via email (Subject: CBIT Consultancy Application) no later than **Monday, October 4<sup>th</sup>**, at **11:59pm** (Jamaica time) to:

Ms. UnaMay Gordon,  
Principal Director, Climate Change Division,
